

Copley Hospital, Inc. Laboratory Services Directory

SUPPLIES

Collection supplies necessary to forward specimens to our laboratory such as requisitions, sterile containers, needles, vacuum tubes and bio-hazard bags are furnished at no charge. Please contact the lab office (802-888-8340) to order supplies.

COURIER

Individualized courier pickups are arranged to meet the needs of each customer. The courier is able to transport small packages, X-rays, pharmaceuticals, and inter-office mail as well as laboratory specimens and reports.

STAT PICKUPS

Pickups provided outside of the couriers' regular schedule and requiring immediate processing are considered STAT. Arrangements are the responsibility of the client.
